

REMARKS/ARGUMENTS

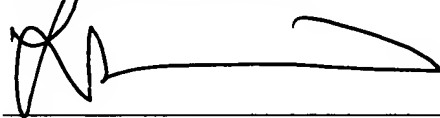

The specification has been amended to correct several inadvertent typographical and transpositional errors among the reference numerals.

Claim 1 has been amended to correct a misspelled word and to properly refer to the "second member" (instead of the "third member") at one place in the text.

Substitute formal drawings for Figures 1-6 are submitted herewith to improve readability and facilitate examination of the present case.

All of the above changes find support in the application as originally filed. No new matter has been introduced.

Respectfully submitted,

A handwritten signature in black ink, appearing to be 'L. Hodges', written over a horizontal line.
